

Grant of Permission for Change of Land Use from Department of Local Government

Application Form Layout:

The screenshot displays the 'Business First' application form for 'Form-eCLU: Application requesting for Grant of Permission for Change of Land Use (CLU)'. The interface includes a top navigation bar with 'Business First' and various service links, and a left sidebar with navigation options. The main content area shows a progress indicator with three steps: '1 General Information', '2 Project Site / Land Details Part 1', and '3 Project Site / Land Details Part 2'. The 'General Information' step is active, showing several input fields for project details.
