

# Sampark Portal

## Q 1 . How is MSME-Sampark different?

**Ans :** • We are recruiter centric rather than job seeker centric. We offer free job postings to our esteem recruiters with authenticated and quality resume from our technology centers current & passed out student pools.

- We do one round of resume screening before it goes to our resume database & online portal. Key profile attributes of our students are validated before it goes to resume pool.
- Our recruiters do not have to pay for any number of resumes and job postings. Our technology centers specialists help you on job posting and resume sort listing through our 14\*7 contact center service.
- We provide premium services like assistance in assessment, interview, sort listing and special training for your candidates from our experts with very minimal pricing.
