FAQs > Search Taxpayers using PAN

1. Can I search details of a taxpayer using PAN on the GST Portal?

The **Search by PAN** functionality allows you to view the details of GSTINs registered against the PAN of a taxpayer by providing his/her PAN details.
This search by PAN will fetch all the valid GSTINs registered against the provided PAN in different states/ UT's along with status of registration in a tabular format.

2. Can I search details of a taxpayer using PAN without logging to the GST Portal?

You can search details of a taxpayer using PAN without logging and after logging into the GST Portal.
In case of **pre-login:** Click the **Search Taxpayer** > **Search by PAN** menu available at the GST Portal homepage.
In case of **post-login:** Login to the GST Portal with valid credentials and click the **Search Taxpayer** > **Search by PAN** option.

3. What details are viewed before and after logging to the GST Portal when I search details of a taxpayer using PAN?
