

FAQs > Search for Submitted Applications and Open the related ARN

1. Can I search for my submitted applications without login on the GST Portal?

No, you cannot search for my submitted applications without login on the GST Portal.

2. I am on "My Applications" page. Can I search for all applications submitted by me at one go by entering the submission period in the "From Date" and "To Date" fields?

No, by entering only the submission period you cannot search for the submitted applications on "My Applications" page. It is mandatory for you to select the "Application Type" also. So, at one time, you can search for only one type of application of a particular submission period.

3. On "My Applications" page, how many ARNs can I view in one page at a time?

At a time, you can view 10 or 25 or 50 or 100 ARNs on "My Applications" page. Click the tabs provided on the below right-hand side of the page—10, 25, 50, 100 respectively for this purpose.
