

FAQs > Engage/ Disengage GST Practitioner

1. Can I engage GST Practitioner from a different state?

Yes, you can engage GST Practitioner from a different state. However, when searching for inter-state GSTPs, search criteria will auto-fill the Taxpayer's default state, district and pin code in respective fields. The Taxpayer will need to change those fields to suit his requirements.

2. Can I engage multiple GST Practitioners at a time?

No. A Taxpayer can engage only one GST Practitioner at a time.

3. I have submitted the engagement request to a GST Practitioner and he is yet to accept the request. Can I submit an engagement request to another GST Practitioner in the meantime?

No. Taxpayers cannot submit two engagement requests that are open in the system. You will have to withdraw the first request before sending engagement request to another GST Practitioner.

4. My GST Practitioner has not accepted or rejected my requested, what should I do?

You can withdraw the request and engage another GST Practitioner.
