

# **FAQs > Search HSN/ Service Classification Code Tax Rates**

## **1. Can I search for the tax rates associated with goods or services by mentioning the HSN/ Service Classification Code?**

The Search HSN/Service Classification Code Tax Rates allows the user to search the HSN or Service Classification Code tax rates based on the product or service description. If for a particular HSN or Service Classification Code, more tax rates are specified, they will be listed as possible rates of tax.

*Disclaimer: Any person can use this feature for searching the HSN or Service Classification Code by entering the description of goods or services. It is only an assistance provided to the user and does not constitute legal or professional advice and therefore, shall carry no legal force. For any further clarification, GST Authorities may be contacted.*
