

## Vendor Assessment

- *Vendor Validation is mandatory for all sellers in GeM. One component of Vendor validation is Vendor Assessment, which is mandatory for certain sellers.*
- *At present Vendor Assessment is done by Quality Council of India.*
- *The QCI Vendor Assessment is online.*
- *The Vendor Assessment fee as published has to be paid directly to QCI.*
- *Once the application for Vendor Assessment is completed in the portal, and payment is made, seller will be contacted by QCI for further proceedings.*
- *The validity of Vendor Assessment is 3 years.*
- *Sellers are free to repeat the assessment even before the expiry of validity.*
- *Certain categories of sellers are exempted from Vendor. Application for exemption can be made in the portal.*

## QCI's role Post Vendor Assessment Submission

1. The Vendor Assessment will be assigned to QCI with a unique assessment number and will be visible in their Vendor Assessment Panel on GeM
2. QCI will then initiate the assessment by sending an e-mail to the seller's registered e-mail id detailing the process of assessment along with log in credentials and update the status as pass/fail of assessment after completing the Vendor Assessment as per current process by digitally sending the parameters of the report and a PDF link of the report for the seller.
3. QCI will also verify those sellers who have applied for exemption and mark their status as Pass/Fail in GeM through their Vendor Assessment Panel
4. The Vendor Assessment will be consumed by GeM as per current process

*Vendor assessment is carried out by QCI in 2 stages:*

**1. Desktop Assessment –**

Information and documents are submitted by the vendor and if any discrepancy is found then non-compliance (NC) would be raised.

**2. Video Assessment –**

Video Assessment is conducted by an expert using the mobile based application through video calling. It will validate the entire process submitted by the vendor through documents in Desktop Assessment.
