2.Flow for Service Approval

2.2. Validation of Certification

Details validated by QCI under certification are as follows:

- Company name
- Mandatory certification (if applicable)
- Validity
- State for which license has been issued

The process followed for validating certification is as follows:

1. If API available

API is available for the following certification/license:

- **FSSAI** (For Example {as of this date}): Mandatory certificate required for canteen service, catering service, packaged drinking water service and healthcare kitchen and dietary service)

Link for validation source: https://foodlicensing.fssai.gov.in/foscorus/foscorus.aspx?op=Bind_LicenseDetailsForGem

- **BIS** (For Example {as of this date}): Mandatory license required for packaged drinking water service)

Link for validation source: Validated from the weekly updated BIS API created by GeM. Data shared by BIS on weekly basis.

2. If API not available

Manual check through website. Following certificates/licenses available on GeM portal are checked through respective websites:

- **PSARA** (For Example {as of this date}): Mandatory certificate for security manpower service and healthcare security service) Link for validation source:

https://psara.gov.in/License_rpt.aspx

- **CIBRC (Rule 10 3-A) Form VI-C/ Form VIII** (For Example {as of this date}): Mandatory for pest control service)

- **Meity Empaneled and STQC Audit** (For Example {as of this date}): Mandatory for Cloud related Services) Link for validation source: <http://meity.gov.in/content/gi-cloud-meghraj>

- **ISO Certification** (For Example {as of this date}): Voluntary Certification)

2.3. Validation of Project Experience

Step 1: Send a confirmation email for verification to the buyer department (contact details as provided by the service provider)

Details shared in the email are as follows {as of this date}:

- Work Order Number
- Project Duration
- Project Value

Confirmation (Y/N) and Remarks captured

Step 2: Rigorously follow up with the buyer department for 4 working days via phone call (contact details as provided by the service provider).

Step 3: Send reminder email to the department every 2nd day i.e. Two reminder mails will be sent to the buyer within 4 working days

Step 4: Action taken on the 5th day will be as follows:

- In cases where positive confirmation is received, the form will be **Approved the very same day.**
- In cases where we receive no response (within the TAT) after completing all the above steps, the project experience will be considered as **deemed to be approved.**
- In cases where we receive a negative response, the form will be **Rejected** as buyer confirmed that the information shared was wrong/incorrect.

Note: At any stage if we receive a negative response from the buyer department, the form which was deemed to be approved will be Rejected and brought down from the marketplace the same day as buyer confirmed that the information shared was wrong/incorrect.

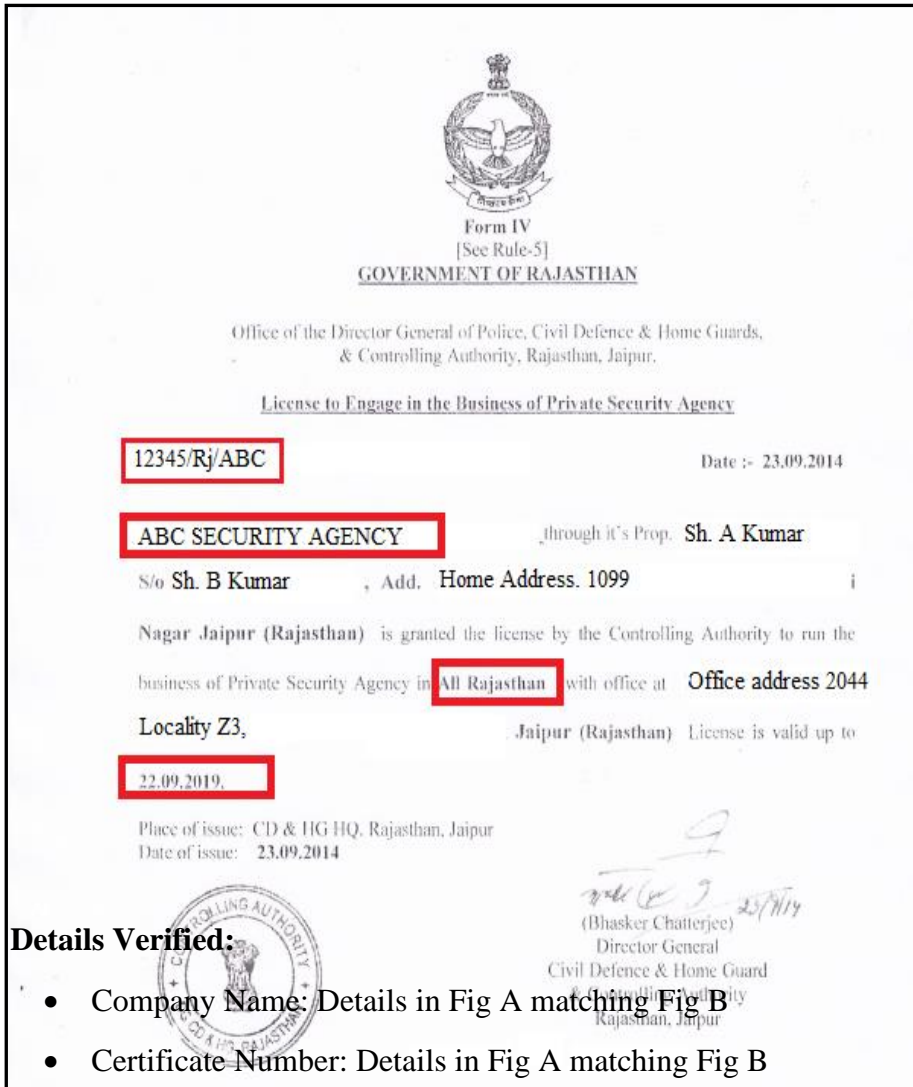

3. Statuses

Approved: If the details entered in the form (certification or project experience or both) are all confirmed and validated, only then the service approval request/form is approved.

Rejected: Partial approval is not allowed as of now. The details entered should be correct for the form/ service approval request to be approved
