To

1. CMD/MDs of all Fertilizer Marketing companies
2. CMD/MDs of all Compost Manufacturers

Subject: Policy on promotion of City Compost- Identification of Soil Testing Laboratories for testing of City Compost samples- regarding.

Sir,

I am directed to say that the issue relating to mapping of labs for testing city compost was taken up with the Department of Agriculture, Cooperation & Farmers Welfare. The Department of Agriculture, Cooperation & Farmers Welfare in consultation with State Governments has furnished the list of Soil Testing Laboratories identified by State Governments and the list of laboratories under the administrative control of the State Governments for use of testing of City Compost samples. Copy of list of laboratories identified by State Governments and the laboratories under the control of State Governments are enclosed at Annexure-I & II respectively for the purpose of use of testing compost samples. A copy of the same is also being mailed at given e-mail ID of the companies

The Compost manufacturers are requested to use the Soil Testing Units, in vicinity of their plants and contact the Director, Agriculture of the State Governments for the purpose of drawal of samples and get them tested at identified soil testing laboratory on chargeable basis. The Soil Testing facilities may also be used by marketing companies for testing samples.
