3. उक्त के परिप्रेक्ष्य में आपसे निम्नानुसार अनुरोध है कि

(i) आप अपनी शाखाओं को सूचित करें कि वे "एक शाखा एक एग्रि क्लिनिक" की संकल्पना को अपनाए. जहां तक संभाव्य ऋण सहायता के लिए प्रशिक्षित उम्मीदवारों की पहचान करने की बात है, जैसा कि एसीएबीसी योजना के दिशानिर्देशों के अंतर्गत दिया गया है, बैंक की शाखाएं अपने क्षेत्र में नोबल ट्रेनिंग इन्स्टिट्यूट्स (एनटीआई) <http://www.agriclinics.net/nticontact.asp>) से संपर्क कर सकती हैं.

(ii) योजना के अंतर्गत उधारकर्ताओं के लंबित आवेदन पत्रों का शीघ्रातिशीघ्र निपटान किया जाए ताकि बैंक शाखाओं के स्तर पर लंबित आवेदन पत्रों को कम किया जा सके. यदि परियोजना रिपोर्ट में कुछ कमी है तो उसे संबंधित एनटीआई की नोटिस में लाया जाए ताकि उसे दूर किया जा सके.

**MINUTES OF THE 11th BANKERS' REVIEW MEETING ON AGRI-CLINICS
& AGRI-BUSINESS CENTRES (ACABC) SCHEME HELD ON AUGUST 26,
2015 AT THE AUDITORIUM, KRISHI VISTAR SADAN, PUSA, NEW DELHI**

The 11th Bankers' Review Meeting on Agri-Clinics & Agri- Business Centres (ACABC) Scheme was held in the Auditorium of Krishi Vistar Sadan, Pusa, New Delhi on 26.08.2015 under the chairmanship of Sh. Raghvendra Singh, Additional Secretary, Department of Agriculture, Cooperation & Farmers Welfare, Ministry of Agriculture & Farmers' Welfare, Government of India.

The list of participants is given at **Annexure-I**

Dr. R.K. Tripathi, Director (Extension Management), welcomed the Participants and highlighted the objectives of the review meeting.

Joint Secretary (Extension) in his introductory remarks pointed out that there was a need to harvest the advantage of demographic dividend in India by supporting youth, especially those from rural areas and molding them to start productive activities through agri-preneurship. He specifically mentioned the Prime Minister's initiatives of social inclusion through banking process e.g. Jan Dhan Yojana, as well as "**One Bank Branch, One Entrepreneur**" vis-a vis National Skill Development Mission (Pradhan Mantri Koushal Vikas Yojana-PMKVY). He stressed that agri-preneurs need to be nurtured and empowered to achieve the objectives of PMKVY as well.

Additional Secretary, in his opening remarks pointed out that a larger area of the country was under rain-fed wherein agriculture was still a gamble. Suitable interventions were therefore required to get the farmers out of agrarian distress conditions in such rain fed area on priority. This can be achieved by use of interventions like Pradhan Mantri Krishi Sinchai Yojana (PMKSY), Custom Hiring Centres, Bee Keeping etc., which in turn requires a mechanism of extension & service providers in the form of ACABCs which could also play an important role in mitigating farmers' distress. Certainly, it would lead to creation of livelihood opportunities.

Dr. P. Chandrasekhara, Director (CAD) , MANAGE made a presentation on progress of ACABC Scheme and also provided a glimpse of ACABC on objectives, eligibility, mode of implementation, cost structure, hand holding and disbursement of loan and subsidy by banks etc. He pointed out that out of total 43960 candidates trained under the scheme, 18,597 candidates (42.39%) have established ventures, only 1792 agripreneurs availed loan facilities and 11,136 project proposals for loan were pending with various banks (List attached at **Annexure-II** and also available at www.agriclinics.net).

DG, MANAGE in her intervention highlighted the need for close monitoring of pending loan cases by NABARD and also a review of status of those trained candidates who could not establish their agri-ventures.

While GM (DOR) gave a detailed account of pending loan application cases and also status of subsidy disbursement, GM, RBI stressed the need for timely disbursement of loans and touched upon non-applicability of service area approach in case of ACABCs apart from waiver of collateral for smaller loan cases upto Rs. 5 lakh.

After a thorough deliberation and discussion with all the Stakeholders, following decisions were taken:

1. **One Branch One Agri-Clinic approach:** Looking at the facts that only 42.30% of trained candidates could successfully establish their agri-ventures and only 4.08% of the trained candidates could avail bank loan and 2.80% could get the benefit of subsidy, it was re-emphasized that the banks may take up **One Bank Branch, One Agri-Clinic Approach** where each one of the 1.09 lakh branches of different banks will be financing at least one agripreneur per year in their service area.

(Action: All Banks)

2. **Inclusion of AC&ABC in District Credit Plan of NABARD:** It was decided that ACABC Component may be included in the District Credit Plan of NABARD to achieve better financing for Agripreneurs. NABARD shall be formally requested for this.

(Action: DAC and NABARD)

3. **Review of AC&ABC progress through SLBC and DLBC:** In order to enhance the credit linkage to the Agripreneurs after completion of the training programme under AC&ABC, it is important to introduce a system of review of AC&ABC progress through State Level Bankers Committee [SLBC] and District Level Bankers Committee (DLBC).

Action: DAC, MANAGE, NABARD and State Agriculture Department)

4. As far as DLBC is concerned it was decided that the LDMS shall be provided with a list of all the pending loan cases with a copy to PD ATMA and district head of Agriculture by MANAGE. The case of ACABC shall be presented by the district head of Agriculture/ PD ATMA in the DLBC meeting. ACABC should be at the agenda of these meetings. With respect to SLBC it was decided that NABARD being Nodal Agency for the SLBC subcommittee on Agriculture shall ensure that ACABC is on its regular agenda so that the same is addressed in the SLBC also. Commissioner (Agriculture)/Director (Agriculture) of the State and MANAGE representative shall also be invited for SLBC Meetings.

(Action: DAC, MANAGE, NABARD and State Agriculture Department)

5. Close monitoring of AC&ABC progress at District Level may be carried by PD, ATMA on department side and District Manager, NABARD on Bankers side during the GB meeting held quarterly. Commissioner/Director (Agriculture) in the State may act as Nodal Officer for the ACABC Scheme and may take a quarterly review of ACABC progress at State Level inviting few ATMA PDs, NABARD, MANAGE, selected Banks, NTI and some successful agripreneurs.

(Action: DAC, MANAGE, NABARD and State Agriculture Department)

6. Coverage of AC & ABC under Credit Guarantee Trust Fund [CGTF]:

At present, only around 4% of the trained candidates under AC&ABC obtained Bank loans. Hence, there is need for guaranteeing the credit given to the Agripreneurs so that confidently bankers can support loans to the Agripreneurs. Currently, only 9 activities of AC&ABC are covered under the Credit Guarantee Fund Trust for Medium and Small Enterprises (CGTMSE). As decided during Review Meeting held under the Chairmanship of Secretary (A&C), MANAGE on 12th June, 2015. Ministry of Finance has been requested to issue instruction to SIDBI and other concerned agencies for inclusion of all the AC&ABC activities under CGTMSE. It was decided to trace out 2005 circular from CGTMSE in this regard concerning inclusion of the 9 AC&ABC activities and accordingly send a letter to SIDBI to expand coverage of services of AC&ABC under CGTMSE. Whichever services are not covered under CGTMSE shall be included in the CGFT programme through SFAC route.

(Action: DAC, MANAGE and SIDBI)

7. The issue of provision of cash credit instead of term loan was raised by SMGGS, Varanasi. SMGGS was directed to submit a detailed proposal in this regard to MANAGE. MANAGE will examine Term loan/ Cash Credit issue in consultation with NABARD and accordingly shall propose to GoI.

(Action: MANAGE and NABARD)

8. **Advance Parking of Funds with NABARD:** Mr K. Mallikaraj General Manager, NABARD gave an account of subsidy disbursement since inception of scheme and pointed out that in current financial year up to July 2015, 235 units have been provided subsidy of 7.77crores. He further mentioned that the scheme provided for submission of subsidy requirement to NABARD within 15 days of sanction of the loan. To avoid delay in disbursement of subsidy at various levels for want of funds and

also to make sure that the Banks did not charge interest on the subsidy component of loan, it was decided that at least 50% of the previous years' spending on the subsidy may be released to NABARD as advance in the beginning of the year. NABARD shall send a proposal to DAC on these lines.

(Action: DAC, MANAGE and NABARD)

9. NABARD also requested for providing at least 3% service charges against the subsidy funds handled. It was responded that advance parking of funds may take care of any such requirement.

(Action: NABARD/DAC)

10. GM NABARD also suggested NTIs that DPR should be complete in all respect and should have quality so that bankers can process the cases without any delay or unnecessary communication. DEM to go through SFC/EFC guidelines to assess whether DPR preparation cost may be incorporated in guideline. In this regard Venture Capital Scheme of SFAC may also be seen for any guidance on this.

Action: (DAC, MANAGE, NABARD)

11. **Large number of Project Proposals Pending with Banks:** Large number of project proposals are pending with banks and lion's share are with Maharashtra, Tamil Nadu & Uttar Pradesh. As far as banks are concerned State Bank of India, Bank of India, Bank of Maharashtra, Union Bank of India, Punjab National bank and Bank of Baroda have major pendency. To expedite their disposal, MANAGE was requested to organize quarterly meetings in coordination with NABARD in these 3 states involving all the concerned bankers at NABARD Mumbai.

(Action: MANAGE, NABARD & All Banks)

12. The bankers were also requested to give the list of cases of AC&ABC NPA to MANAGE to facilitate tracking back its repayment in coordination with NTIs.

(Action: MANAGE, NABARD & All Banks)

13. SBI reported a mismatch of pendency figures as reported by MANAGE from Bank records. It was reported that, number of Bank loans sanctioned were more than that recorded by MANAGE. MANAGE was directed to send state-wise, branch-wise list of pending cases to the concerned banks which may also be discussed during the quarterly review in coordination with NABARD, Head quarter in Mumbai. All banks may also update sanctioned bank loan details in website and send a copy to MANAGE.

(Action: MANAGE, NABARD & All Banks)

14. It was pointed out that insurance companies are not insuring poultry farms, resulting in to non disbursement of subsidy by banks for poultry units under AC&ABC. Director (EM) to put up the matter for discussion with the concerned division of DAHD&F.

(Action: Director (EM))

15. JS (Extn.) also stressed that to create awareness of ACABC, MANAGE is to send one page highlights of the scheme to all banks along with list of cases pending though the details are also available on www.agriclinics.net. All the bankers were also asked to provide link to this and also upload the details on their website.

(Action: MANAGE & All Banks)

16. One NTI representative suggested for inclusion of Regional Rural Banks in ACABC Scheme. JS (Extn.) intervened and requested the NTI to submit proposal to MANAGE, which will be examined by DAC for its feasibility in terms of Financial Prudence Management.

(Action: MANAGE and DAC)

17. NTIs also requested that they should be included in the channel of communication with NABARD for releasing subsidies. GM, NABARD

made it clear that for this they may liaison with the bank branches. JS (Extn) told MANAGE to work out a suitable mechanism for it.

(Action: MANAGE)

18. For getting additional subsidies by Extremely Successful Agripreneurs, on extra loan amount of Rs.5 lakh over and above Rs.20 lakh, it was decided that application need not come to Addl. Secretary, GoI and instead may be decided at the level of NABARD. MANAGE may move a proposal to DAC for making necessary decentralization amendments in the guidelines.

(Action: MANAGE)

19. It was agreed upon by all the bankers that orientation trainings /sessions are required about ACABC for Agriculture Development Officers of Banks to foster enhanced understanding of the scheme thereby leading to faster disposal of loan/ subsidy to aspirants. It was decided that MANAGE shall issue a letter through NABARD to banks to nominate at least 10 officers from each bank for AC&ABC orientation training and also to ensure participation of all the banks in the Sensitization Workshops organized by NABARD.

(Action: MANAGE & All Banks)

20. Mr. Bamania, agri-entrepreneur suggested to explore possibility of creation of software at central level, to link all the Agripreneurs. MANAGE was requested to start a page on face book for ACABC (Agripreneur India) to harness the potential in social media for wide publicity.

(Action: MANAGE)

21. It was appraised by bankers that they are having Rural Self Employment Training Institutes (RSETIs). These institutes could also be declared as NTIs by MANAGE. Banks could also initiate ACABC training in their

Staff Training Institutes as indicated by some of the Bankers. MANAGE may look into this and provide feedback.

(Action: MANAGE)

22. Mr. Alok Nikhil Jha, Consultant, ICT, DAC, New Delhi explained about Agri-Banking module developed under NeGP-A, the banks may ensure data entry in this module, so that it can be used by farmers and agripreneurs through facilitating online information on bank schemes and comparable rates of interest for various bank products. Required login and password credentials shall be sent by Consultant (ICT) to the Banks.

(Action: Consultant (ICT), NeGP-A and All Banks)

23. Though SFAC was dissociated as a Nodal Agency for ACABC Scheme since 2005, it was still continuing as a Nodal Agency in RBI records. A communication to RBI may be sent clarifying the position.

(Action: Director (EM))

24. On the lines of Agripreneurs and NTIs, a system of awarding the best financing Bank/Branch in a State and across the country may also be worked out to encourage the Bankers in loaning ACABC Projects.

(Action: Director (EM))

25. As the number of trained but un-established candidates is increasing, it is decided to conduct Refresher programs for this group by MANAGE. A proposal may be submitted by MANAGE to DAC in this regard.

(Action: MANAGE)

26. All the eligible Banks under the scheme may nominate one Nodal Officer to coordinate with DAC, NABARD, MANAGE and NTIs.

(Action: DAC, NABARD, All Banks)

27. AC&ABC posters may be prepared by NABARD for display in branches of all the Banks.

(Action: NABARD, All Banks)
