

## Raw Materials Claim under TS-IPASS to be applied for

1. Coal
2. Alcohol
3. Ethanol
4. Molasses
5. DS

Home State Profile Industry Directory RTI FAQs Key Sites EM-Part-II Data Contact Login New Registration

### Welcome

There are four key industrial economic sectors: the primary sector, largely raw material extraction industries such as mining and farming; the secondary sector, involving refining, construction, and manufacturing the tertiary sector, which deals with services (such as law and medicine) and distribution of manufactured goods and the quaternary sector, a relatively new type of knowledge industry focusing on technological research, design and development such as computer programming, and biochemistry.

- After submitting the Application, Applicant will receive the message as Successfully Submitted and also a message will be sent to their registered Applicant Mobile No

- After Application is submitted then concerned District GM's will receive the application on their dashboard.

The screenshot displays a web dashboard for a General Manager. The top navigation bar includes 'Dashboard' and 'General Manager'. The main content area is titled 'Dashboard' and is divided into two columns. The left column, under the 'General Manager' header, lists application statuses: Applications received (69), Assigned to Inspecting Officer (67), Yet to be assigned (2), Pending Applications (2), and Forward to DIPC (57). Below this, it shows query statistics: Total Query Raised By GM (10), Responded Queries (10), Not Yet Responded Queries (0), and Total Query Raised By Col (23). The right column, under the 'DIPC' header, lists actions and counts: No of Applications Received (62), Generate DIPC Agenda, Upload DIPC Proceedings, Send To COI (58), and Send to SSCL (1).

Category	Item	Count
General Manager	Applications received	69
	Assigned to Inspecting Officer	67
	Yet to be assigned	2
	Pending Applications	2
	Forward to DIPC	57
Query Statistics	Total Query Raised By GM	10
	Responded Queries	10
	Not Yet Responded Queries	0
	Total Query Raised By Col	23
DIPC	No of Applications Received	62
	Generate DIPC Agenda	
	Upload DIPC Proceedings	
	Send To COI	58
	Send to SSCL	1

Total Query Raised By GM	10
Responded Queries	10
Not Yet Responded Queries	0
Total Query Raised By Col	23
Total Queries Responded By GM to COI	0
Responded Queries	23
Not Yet Responded Queries	0
Applications Rejected by GM	1
Applications Rejected by COI	3

- GM will Assign the application to IPO or raise query or reject the application.
